

# What's Happening @ INNOVO

JANUARY 2023

## HAPPY NEW YEAR!

**Wherever you are in the world we wish you a healthy and successful 2023.**

As the globe faces many environmental challenges, opportunities are abundant in the race to NetZero. Powerful and innovative new technologies are being commercialized providing an array of solutions particularly for heavy emitters. We look forward to working with you to achieve your Net Zero targets.

## ASIAN FUTURISTS LEADERSHIP FESTIVAL

Martin Kelly, CEO & Founder, INNOVO will be speaking on - Halving Green House Gases by 2030 at the Hong Kong conference - being held between 11 and 17 January 2023.

**LINKEDIN POLL – by Jagadish-Rao Raghavendra** What will deliver the most profitable returns, real impact emissions reduction and high impact Carbon negative results?
